1) The remarks of the Chief Secy on the P.V.D.:

"Was it not on the express condition that he should not ask for any charge allowance that this was done? Sd/ H.K.S. 11-10-49

2) Sanction was accorded in G.O.No.8879-80/CB 456-48-1 dt 14-4-49 for placing Sri S. Devaraj in additional charge of duties of the P.S.C who was on deputation to Madras for a period of one week. 5) As the in-charge arrangement has been sanctioned subject to the condition that there will be no charge allowance, the claim for the payment of a charge allowance would have to be disallowed - unless the F/S agrees to withdraw the condition.

8) The point has to be made clear as to why I said on 19.4.49 that there will be no question of a charge allowance.

9) A charge allowance or for the matter of that, an acting allowance is admissible when the permanent incumbent of the office in question vacates it, either by going on leave, or retiring or being away on foreign Service. At any rate there should be, as a condition precedent, the vacation of the office by the permanent incumbent. In this case the P.S.C. was not on leave, but on duty. Two people cannot do duty in respect of the same office during the same period. Therefore the Secretary cannot have charge allowance, unless the P.S.C. takes leave during the said period when of course he will lose his T.A. As regards Foreign Service no foreign government asked for his services and so that question does not arise.
